ORCHESTRA

2018-2019 CLINICS REGISTRATION FORM (Middle/High School Bands & Orchestras)

Bring the TSO's top musicians right into your classroom! During this two-hour session, TSO Ensembles will present a 45-minute performance and Q&A for your students, spending the remainder of the time working with your ensemble either as a full group or in sectionals (your preference). The TSO's experienced and knowledgeable musicians will work with you in advance to make sure your ensemble's needs are addressed during this interactive session.

A: Select Your Type of Clinic(s) *Ensembles include: String Quintet, Wind Quintet, Brass Quintet, and Percussion Ensemble. Ensembles selected for clinics depend on availability.*

Orchestra Clinic - \$1,200 (See section B for financial assistance)

Band Clinic - \$1,200 (See section B for financial assistance)

B: Financial Assistance through the TSO Tax Credit Program

Through the Arizona Tax Credit Program, TSO patrons and staff will raise funds during fall 2018 to help schools participate in TSO education programs. These funds are designed to be used by public schools with no other alternatives for financial resources. Schools are asked to leverage every available dollar they can allocate to the clinic and then complete this Tax Credit assistance application to bridge the gap. Tax credit funds are either mailed by patrons to the school or are delivered to the district office by the Tucson Symphony Orchestra in December.

By filling out this section, _____ agrees to use funds raised by TSO patrons for TSO education programs. Leftover funds from the 2018 Tax Credit season must be used for TSO education programs in subsequent years.

Please contact education@tucsonsymphony.org with any questions about the Tax Credit program.
