Through the **Arizona Tax Credit Program**, TSO patrons and staff will be raising funds to help schools participate in TSO Education Programs. These funds are designed to be used by public schools with no other alternatives for financial resources. Schools are asked to leverage every available dollar they can allocate to the field trip and then submit this Tax Credit assistance application to bridge the gap. Tax credit funds are either mailed by patrons to the school or are delivered to the school or district office by the Tucson Symphony Orchestra in December.

By filling out this application, _____ agrees to use funds raised by TSO patrons for TSO Education Programs and/or for buses to the venue. Leftover funds from the 2018 Tax Credit season must be used for TSO Education Programs in subsequent years.

2: \$ If yes, approximate cost of buses
